

OH NO!

THE FORGOTTEN GOODS STORE

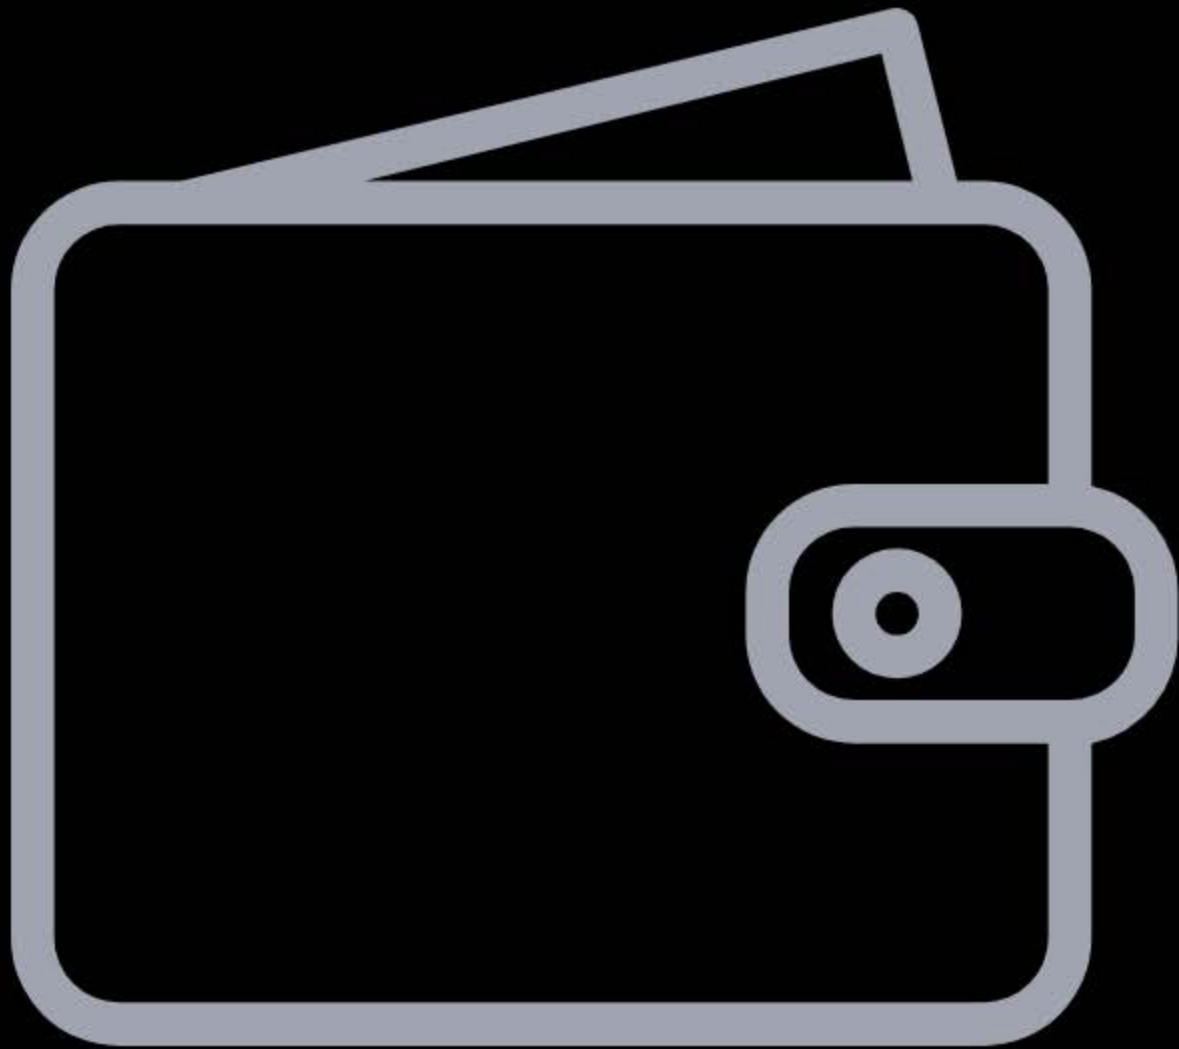

*'Those that differ, don't suffer.'*  
*This is the ideology on which OH NO!*  
*was founded. OH NO! The Forgotten*  
*Goods Store aims to offer customers the*  
*things they tend to forget. From offering*  
*just four products in our inaugural store*  
*to hundred products in stores across all*  
*major cities, we have grown in leaps*  
*and bounds. We're forever thankful to*  
*our all-mom-research team, who*  
*ensures that a product is genuinely a*  
*thing which people forget before it bores*  
*the name of OH NO! We're also thankful*  
*to our customers for inculcating this*  
*habit of forgetting things. Without you*  
*OH NO! wouldn't have existed.*
